From the East . . .

Brethren,

I am here to give you good news! I have received clarification of the Grand Master's Proclamation of 4/29/2020 and have copied and pasted the email from the Grand Secretary.

"Worshipful Sir:

Lodges are allowed to have a single called meeting for the installation of officers but may resume their regular stated meeting schedule after May 25, subject to the health and safety requirements of the Grand Master's Proclamation of April 29. With the rapid increase in COVID-19 cases in Texas it might become necessary to curtail meetings again to prevent the transmission of the disease, though no such limitation is currently in effect. The Grand Master is monitoring the situation and will respond with appropriate direction to the Craft based on the governor's actions and any lawful limitations imposed by local authorities.

Please exercise due care for your members so that you and they remain safe and well.

ALLAN R. LAZOR,
GRAND SECRETARY"

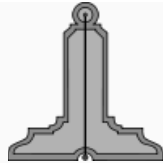

So...that means we are able to meet on July 3rd for our Stated meeting. Please be prepared to handle as much business as we legally can to help facilitate a smooth transition for Bro. Nathan Shrode as he takes the East on July 11th.

As my year comes to a close in the East, I am truly humbled to have been your Worshipful Master. Things may have not gone to plan, but things rarely do. I am still thankful for the invaluable experience. I am extremely confident in our line of lodge officers, and I am excited and proud to have Brother Nathan Shrode as the Worshipful Master for 2020-2021. His leadership along with our line of officers are poised to make a huge impact for many years to come, and I'm ready to be a part of it in any way that I can.

God Bless,

Greetings Brethren,

This pandemic has given me time to reflect on our great fraternity! We have such a great and powerful network. It is a part of Masonry I truly love! Knowing I could get help or especially helping another really stands out to me in these troubling times.

I pray we make it through this Covid unscathed. I have not heard of any Yellowhouse brother or family member getting sick so makes me very relieved to hear that. Please be diligent on reaching out to the brethren and family. Some may not be very quick to ask for help including myself! Looking forward to seeing everyone at lodge!

Fraternally,
Junior Warden
Steve Sperry
