### From the East . . .

Brethren,

Getting more candidates is a fantastic thing! Our lodge is staying busy with degrees and staying the course. Stated meetings have been great with lots of attendance! It is wonderful to see our fraternity staying strong and working as it should. There are some new faces working in the degrees and some more learning lectures!

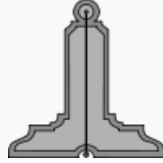

Our lodge will continue to be the best with new brothers picking up more roles in the success of Yellowhouse. Thanks to everyone for making our lodge successful! I had a golden trowel committee formed the last stated meeting and anxious to hear their report. Please come out to the next meeting and enjoy great fellowship and hear what the committee reports back on.

We have successfully corrected our finances and with everyone's help we will continue the course of success. Special thanks to our secretary brother David Mead and brother Chris Felton for being diligent with these matters. They do so much for the lodge that never gets reported. We will continue to be busy with degrees and that will keep our lodge active and successful.

## From the West . . .

Brethren,

Not all Masons are Shriners, but all Shriners are proud Masons. This appendant body is an extension of our brotherhood and an excellent means to get to know brethren from other lodges and from around the state.

The purpose of The Shrine is philanthropy and fellowship. Being involved in a unit further increases this fellowship. There is a Shrine unit for almost everyone's interests. The duty of these units is fundraising, and those funds support our philanthropy, Shriners Children's Hospitals. These hospitals provide healthcare and travel for burned and crippled children at no cost to the families.

This year I am president of the Khiva Lubbock Duffers, the golf unit. Our primary fundraiser for the hospitals is our annual golf tournament. Last year we set another unit record and sent very near \$30,000 to the hospitals. This year our tournament is on May 8th at Hillcrest Country Club. If you would like to have a team please contact me, Scott Blount, Joey Powers or any other Duffer. We are also looking for silent auction items, anything cool works, so get with me if you have anything you would like to contribute. Thank you all for your consideration.

Fraternally,

Jeremy Jones  
Senior Warden

# From the South . . .

Brethren,

There are so many things that go on in our Masonic community outside of Yellowhouse Lodge. I want to encourage you all to support other Masonic blue lodges and appendant bodies any way you can. Sometimes this is as simple as just showing up to events being held in and around Lubbock.

Some of these events include skeet shoots, chili cook-offs, car shows, banquets, gun raffles, golf tournaments, booths at the South Plains Fair, Hilltop Degrees, going to parades and there is even a group of local brothers who travel to other lodges.

To truly experience what masonry brings to the South Plains, get out, get involved, visit family friendly events, and take a chance to meet new brothers who are all working to make masonry better in Lubbock. You never know, what can happen in your Masonic journeys until you allow yourselves to get involved.

Fraternally,

Jeff Goolsby  
Junior Warden
