Nathan Shrode	Trustee

From the East . . .

Hello Brethren,

This stated meeting will be the first official visit for District Deputy Grand Master, Right Worshipful Steve Sperry. Once again Yellowhouse Lodge has one of its own as DDGM and I for one am honored by this fact. Please make it a point to attend lodge and show support to one of our own. If I am not mistaken this is Brother Sperry's first official visit to any of the lodges and it would be nice to give him a large home crowd to make his year start off right.

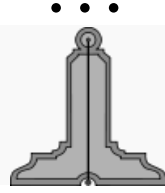

We have put two new brothers through their Entered Apprentice Degree and we have one more to go. I am still in need of some volunteers to help in teaching these new brothers their work. I know that many feel intimidated in teaching, but I assure you that it is something you will enjoy once you start doing it.

I would also like to remind you that we have floor practice almost every Tuesday. Being involved in this is a great way to ensure the health and growth of our lodge. Please try to make it to these practices. They are usually very short, and they are always fun.

Jeremy Jones
Worshipful Master
Yellowhouse Lodge 841

Floor Practice every Tuesday @ 6:30pm, except the 2nd Tuesday

From the West

Brethren,

I wanted to take this opportunity to thank you all for your support over the past few months to raise money for the Yellowhouse Scholarship Program. Since December 2023, we have been able to add an additional \$3700 to the previous amount for our scholarship program. I know this will be able to help all of the recipients for this coming Fall Semester. You have all helped to further the education of area high school seniors. Again, from the bottom of my heart, thank you all again.

As we get into 2025, I know the current Junior Warden has some plans for fundraising for the 125th anniversary of Yellowhouse, as well as for scholarships. I know you all will help support his endeavors as well.

Thank you again.

Fraternally,

Jeff Goolsby
Senior Warden

From the South . . .

Brethren,

As Easter is getting close, it makes me reflect on things changing. As a Christian, it makes me think of the new life that has been given to me. With a ranching background, I think of the new animals that will be arriving soon. The flowers blooming and the changing of the landscape around us! It makes me reflect on everything that the Grand Architect of the Universe has designed and created!

So, on that note, my question to everybody is this. What are we creating and designing in the lodge? Are we creating a place where new brothers feel welcome? Are we designing a setting where brothers can learn the craft and become better men? Are we giving time and effort, within length of our cable tow; to design and create the best lodge, best brethren, and best environment for all masons. I feel we do a great job at this, but I also know that I can always bring more and do more, to make it even better! What can you bring? Teaching new masons, showing up for stated meeting and called meetings, hanging out after, and talking, etc... We all have something we do for our craft...what is your thing?

Fraternally,

Lynne Haire

Yellowhouse Junior Warden
