Charles Mire	Trustee
Nathan Shrode	Trustee

### From the East . . .

Greetings Brethren,

This month we should be voting on three new candidates to receive the light of our ancient fraternity. Please start trying to be involved in floor practice and help us get brethren through these degrees. I also need volunteers to help and teach these new brothers their Masonic work. It is fun to do and as soon as my time in the East is over, I will return to teaching.

I would also like to ask all of our members to reach out to brethren we haven't seen in a while and ask them to join us at lodge again. I reached out to three brothers this past week and I will continue to do so until I see them in lodge.

I would also like to congratulate Brother Secretary, David Mead, on his election to Chief Raban of Khiva Shrine. This is not only a huge commitment for him but an honor for him and Yellowhouse Lodge as a whole. I know he will be doing a lot of fundraising this year and I would like to see us help him out as a lodge.

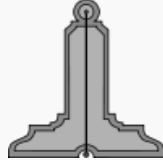

Another reminder that Brother Senior Warden, Jeff Goolsby, is having a fundraiser for our scholarship fund. This scholarship is important to me and the lodge as it reminds people what we are. Please get with Brother Goolsby and support him in this.

Thank You,

Jeremy Jones  
Worshipful Master  
Yellowhouse Lodge 841

***Floor Practice every Tuesday @ 6:30pm, except the 2<sup>nd</sup> Tuesday***

## From the West . . .

Brethren,

Last week's Grand Lodge of Texas showed us all what happens when Masons come together and unite in a single purpose. I am asking all of Yellowhouse #841 to come together and help support my fundraising efforts to benefit our scholarship program.

I currently have squares for the upcoming Super Bowl on February 1, 2024. Squares are \$50 each and the winners of the first three (3) quarters will win \$500, with the winner of the fourth (4th) quarter winning \$1,000. The remaining \$2500 will go into the scholarship fund for us to award at least one (1) lucky senior a college scholarship later this spring.

I implore you all to get with me this Friday night, and help me complete this fundraiser so the Worshipful Master can get a selection committee together for the award. You are all very generous with your time and resources, and I know you will continue to do the same. For those who have already supported my cause, thank you from the bottom of my heart.

Fraternally,

Jeff Goolsby  
Senior Warden

# From the South . . .

Brethren,

As I logged into Grandview today, I saw that we have 3 petitions out, 1 new candidate, 10 EA's and 1 FC, and I just want to say, "Isn't our lodge great!!!" We are growing every month, new members coming in and wanting to learn the craft! There are a lot of lodges that are closing because they don't have the member rolls to stay open. We don't have this problem; but we can always do better! There are many brethren that I haven't seen in lodge lately...and my question is, why? Have we reached out to them and asked why they stopped coming? What can we do to help them get back to lodge? I always leave lodge with a spring in my step. I enjoy immensely getting to spend time with my brothers. Some I know, some I'm getting to know, and others I don't know that well, and even visitors. I enjoy the conversations, the laughs, the food, and everything else that comes with a visit to lodge! These brothers that we haven't seen...would they enjoy coming and then leaving with a spring in their step? Let's work together and find out! I ask that we each reach out to someone that we haven't seen in a while and try and get them to come to lodge. It can be Tuesday floor practice, a degree, or a stated meeting. Let's try to rekindle their desire and ability to be a more active part in our busy lodge and this wonderful fraternity!

Fraternally,

Lynne Haire

Yellowhouse Junior Warden
